

RESEARCH AFTERNOON - HOT TRENDS IN SCIENCE

PROGRAMM

Session I: Inflammation, Cancer and Thrombosis

- 14:00 - 14:40 **Molecular and Cellular Links between Inflammation, Cancer and Thrombosis**
Ao. Univ. Prof. DI Dr. Johannes A. Schmid, Medical University of Vienna, Dept. of Vascular Biology and Thrombosis Research
johannes.schmid@meduniwien.ac.at
- 14:40 - 15:20 **Cancer and Thrombosis - Risk Factors and Mechanisms**
Ass. Prof. Priv. Doz. Dr. Cihan Ay, Medical University of Vienna, Clinical Division of Hematology and Hemostaseology, Department of Medicine I
cihan.ay@meduniwien.ac.at
- 15:20 - 15:40 Coffee Break

Session II: Oncology Research and Therapeutic Aspects

- 15:40 - 16:20 **Per Anhalter in die Krebszelle: neue Strategien zur gezielten Therapie**
Univ. Prof. Dr. Walter Berger, Medical University of Vienna, Institute of Cancer Research
walter.berger@meduniwien.ac.at
- 16:20 - 17:00 **Lymphoid Microenvironment: Biology and Therapeutic Applications**
Assoc. Prof. Priv. Doz. Dr. Medhat Shehata, Medical University of Vienna, Clinical Division of Hematology and Hemostaseology, Department of Medicine I
medhat.shehata@meduniwien.ac.at
